# OHIO STONEWARE

Your Source for Quality,  
**AMERICAN MADE**  
Stoneware and Gardenware.

# CROCKS

Crocks have many uses from the traditional use of preserving vegetables like cucumbers for pickles and cabbage for sauerkraut to more practical everyday uses like containers for potpourri, candy, magazines, kitchen utensils, cookbooks, pens and pencils, or candles. Unlike many imports, all of our crocks are made with lead free glazes making them food safe, microwave oven, conventional oven, and dishwasher safe.
